

## Advising Guide for Study Abroad in

# FOREIGN LANGUAGE EDUCATION - SPANISH

## PLANNING TIPS

### Look into your options early

KU students can study abroad as early as the second semester of their first year. The KU Study Abroad Fair held in early September is a great place to begin your program search.

### Semester Study

Your best semester option is to take Spanish content courses during the fall or spring semester of your third year. You can take C&T 530 from KU faculty via Skype while you're abroad.

### U.S. Specific Courses

Your upper division courses will include student teaching and practicum requirements, so you should plan to take these courses at KU.

### Make a Graduation Plan

Create a plan for study abroad during fall and/or spring advising in your first year at KU, or as early as possible.

### Summer Options

Summer is a great time to take pre-admission, Spanish content or general education courses. You could also participate in a unique field experience through one of the summer teach abroad programs.

### Apply for a Passport

It typically takes 3-4 months for a passport application to be processed. Head to the Office of International Programs in 300 Strong Hall.

## DEGREE REQUIREMENTS

### Admission Requirements

*Many of these courses can be taken abroad.*
