

Advising Guide for Study Abroad in SPEECH-LANGUAGE-HEARING

PLANNING TIPS

Look into your options early

KU students can study abroad as early as the second semester of their first year. The KU Study Abroad Fair held in early September is a great place to begin your program search.

Semester Study

Your best semester option is to take SPLH and general education courses during the fall or spring of your second or third year at KU, or as early as possible.

Visit the Study Abroad Info Center

Meet with peer advisors in 105 Lippincott to find out more info about the programs we offer.

Make a Graduation Plan

Talk to your academic advisor about how to include study abroad within your curriculum.

Summer Options

Summer is a great time to participate in the KU faculty-led SPLH program in Peru. You can also take general education or elective courses at many other programs, or participate in a unique summer internship program.

Apply for a Passport

It typically takes 3-4 months for a passport application to be processed. Head to the Office of International Programs in 300 Strong Hall.

DEGREE REQUIREMENTS
