

Faculty Support Grant Application:
“Mapping Study Abroad to the Major”
Academic Year 2017—2018

Thank you for your interest in supporting international education for KU students. The “Mapping Study Abroad to the Major” Faculty Support Grants are designed to support faculty/staff travel to one of KU’s existing international partners or to a potential new partner for the purposes of developing new study abroad opportunities for KU students. Grant awards are up to a maximum of \$2,500.

Please complete the following information and attach it to your proposal which contains the following information:

- Goals of the proposed visit
- Planned activities/itinerary
- Contacts at international site/partner institution
- Outline of budget including other funding sources
- Potential outcomes for study abroad program development/student mobility
