ENGLISH PROFICIENCY

English Proficiency Exam Policy:

All non-native English speakers are required to take the [KU English Proficiency Exam](#) through the [Applied English Center \(AEC\)](#) online prior to arrival unless they meet one of the waiver requirements listed below. Those meeting one or more of the requirements should submit documentation with their application. If approved for the waiver, they will be allowed to enroll full-time in university courses. The “Assessment of Functional Level of English” form does not waive you from the AEC Test.

Waiver Requirements		
Undergraduate	TOEFL	79 or higher overall score with no subscore below 18
	IELTS	6.5 or higher overall score with no subscore below 6.0
	Has attended 4 years of college preparatory English and high school graduation with a 2.5 GPA in one of the following locations:	United States of America, The United Kingdom, Ireland, Australia, New Zealand, an English-speaking province of Canada, an English-speaking Caribbean or African country, or any US-accredited school located abroad
Graduate	TOEFL (internet-based)	Minimum score of 23 on each section
	IELTS	Overall band score of 6.5 with a minimum of 6 on each section

All other students will take the AEC exam online prior to arrival or during orientation and their test scores will determine if AEC courses are required, and if so, which ones.

Please note: Although TOEFL and IELTS test scores are not required to study on exchange at KU, students who have taken either exam are encouraged to have test scores submitted to AEC with their application materials or shortly thereafter.

ENROLLMENT

Exchange students are not able to enroll until they have:

- Completed the English Proficiency Test (or had it waived)
- Registered for “You at KU” Orientation
- Scheduled their health check-in appointment

After acceptance, students will submit course request questionnaires via their Jayhawks Abroad account.

Study Abroad & Global Engagement will then work with the academic departments to obtain any necessary permissions ahead of time if possible. Before the start of the semester, students will receive enrollment instructions from Study Abroad & Global Engagement once they are able to enroll.

COURSE REQUESTS

Course requests are not guaranteed; therefore, students must select at least 2 alternate courses. In cases where prerequisites are listed, it is important that students have the appropriate background for the course.

ON-CAMPUS ACCOMMODATIONS

Exchange students are responsible for arranging their own housing during the duration of their time at KU, and typically choose to live in either on-campus apartments or residence halls. Students are encouraged to contract for housing as soon as possible once admitted (after receiving your KUID number) in order to have access to the greatest range of options. Please note that cancellation fees apply once you contract. Housing contracts are for the academic year, however students coming for just the fall semester will have the opportunity to opt out of the next semester at no charge.

You can explore on-campus housing options at: www.housing.ku.edu

ORIENTATION ACCOMMODATIONS

Students staying on campus during the semester will have the option of moving into their on-campus housing early for an additional modest nightly fee (typically around \$30). Students who have contracted for on-campus housing must submit an Early Arrival Request through their KU Housing portal in order to move into their housing prior to the contract start date. Once processed, information will be sent to you regarding your check-in location and other details.

ACCOMMODATION OPTIONS

Location	Acommodation	Description	During Breaks	Dining Plans
On-Campus	Jayhawker Towers, Stouffer Apartments, and McCarthy Hall Apartments	2-person, 4-person, and even 6-person (Stouffer) apartments are available. Each one includes 2-4 bedrooms, a living room, full bath, and a kitchenette with a stove, oven, and refrigerator. The bedrooms are furnished with beds, desks and chairs, and closets with a dresser.	Remain open; contracts include housing over breaks so students living there may stay at no additional cost.	Optional (kitchen access)
	Residence Halls	Traditional dormitory-style living which typically have 2-3 students per bedroom. Certain residence halls such as Oswald and Self are open to freshmen only, whereas GSP, Corbin, Ellsworth, and Hashinger are open to students of all levels.	Remain open during all university breaks except for Winter Break. Students wishing to stay on-campus over Winter Break must sign up for winter break housing and pay a fee.	Required (no kitchen access)
Off-Campus	**The majority of exchange students choose to live on-campus for convenience and because it is challenging to find furnished apartments with short-term leases. However, exchange students occasionally choose to live off-campus. All off-campus housing arrangements are the responsibility of the student.**			
	Naismith Hall	A privately owned residence-hall-style option that is adjacent to campus that has also been popular with exchange students. If you are coming for just one semester, please be sure to specify this with the staff to ensure that a single semester contract is a possibility. Learn more at https://www.naismithhall.com/	See lease options	Included
